

CHAPTER 3

L'Alliance welcomes its senior citizens.

Chapter 3 of L'Alliance embraced a new function with the construction of a residential care home at the corner of Boulevard de L'Alliance and Boulevard de France.

This facility includes 132 rooms and 32 service flats, as well as a wide range of services, some of which are also open to residents (hairstylist, restaurant, etc.). The permit was granted mid-2020, construction began at the end of that year, and the building was delivered in 2022.

With this new function, L'Alliance entered a new stage of multifunctionality. The residence is operated by Anima, which in 2023 was awarded the Great Place to Work label – the first healthcare organisation in Belgium to receive this recognition.
